Care instructions — Vacuum your rug regularly as shedding of loose fibers will occur with a new rug (do not use a rotating or brush head on the vacuum cleaner).

Promptly clean spills by blotting with a clean, undyed cloth. Do not dry clean or use harsh chemicals that could damage or fade your rug. Never fold your rug for storage or keep in an airtight bag. Avoid direct or continuous exposure to sunlight and rotate your rug to promote even wear. Professional cleaning is recommended on occasion to ensure the long life of your rug.

Delivery time for custom sizes — 10 – 14 weeks.

Sizing — Due to our rugs being a handmade product, a 3% size variation is possible. Variations in pile height and total thickness of ¼" - ⅛" (1-3 mm) are considered acceptable.

Color — Every effort is made to ensure there is minimal color variation, however some can be expected as our rugs are made primarily from natural fibers. Placing rugs in direct and continuous sunlight will cause them to fade and is not a manufacturing fault. All cut pile rugs will exhibit light and dark patches over time, as the fibers bend and reflect the light differently. This rug is designed for gradations in color to be visible in the pile. Not all samples will display the range and depth of shading in a full-sized rug.

Shedding — Natural fiber rugs will initially shed loose fibers, which can be hastened by regular vacuuming.

Pop-ups — Due to the nature of weaving, there will be short fibers popping up while the rug settles. These can be trimmed by hand with household scissors.

Stock rugs — From time to time a product will be out of stock. Armadillo will endeavour to ensure items are back in stock within 4 – 6 weeks.

Underlay/Rug pads — We recommend using an underlay/ rug pad with all of our products.
