**BAB-ST/GP**  
sterling & graphite

*areas of use*

*care instructions*

Vacuum your rug regularly as shedding of loose fibers will occur with a new rug (do not use a rotating or brush head on the vacuum cleaner).

Promptly clean spills by blotting with a clean, undyed cloth. Do not dry clean or use harsh chemicals that could damage or fade your rug. Never fold your rug for storage or keep in an airtight bag. Avoid direct or continuous exposure to sunlight and rotate your rug to promote even wear. Professional cleaning is recommended on occasion to ensure the long life of your rug.

*delivery time for custom sizes*

- Approx. 16 – 20 weeks

*stock rugs*

From time to time a product will be out of stock. Armadillo & Co will endeavour to ensure items are back in stock within 10 – 12 weeks.

*manufacturing variations*

**Size** - Can vary by +/- 3%.

**Color** - Rugs are primarily made from natural and undyed fibers. Every effort is made to ensure there is minimal color variation however some variation can be expected. All cut pile rugs will exhibit light and dark patches over time, as the fibers bend and reflect the light differently. This rug is designed to display gentle linear variations across the background.

**Shedding** - Natural fiber rugs will initially shed loose fibers, which can be hastened by regular vacuuming.

**Pop-ups** - Due to the nature of weaving, there will be short fibers popping up while the rug settles. These can be trimmed by hand with household scissors.
